Participants

You are

- Intrinsically entrepreneurial
- You want to learn how to set up your own business
- fluent in English (~B2 level)
- curious and energetic

We aim for a good mix of participants with the following backgrounds: Technical, Business, Science, Engineering, Marketing, Design or hands on vocational experience.

We are open to local applicants as well as recent arrivals to the Netherlands. Please note that we expect you to be available for 3 days per week – Typically Wednesdays to Fridays. The Joint road trip in week 4 is optional and we would look into organizing it together.

Next steps

- 1 Apply on our webpage or via facebook
- 2 Intake interview
- 3 Show up on July 19th at 10:00
